FOM

family on mission

Family on Mission (or FOM) groups operate like an extended family on mission, united around bringing God's kingdom to the world around us. Each week, they meet in homes to journey through life and discover what it means to live as a family on mission. Our heart is that you will join a Family on Mission!

Foundations Chronological Bible Course

A detailed overview of God's Word

for Women

Mark your calendar!

Start Date: September 15, 2026

Tuesdays 6:30 - 8:30 p.m.

September - May

Whether you are new to the Bible or well-versed in its contents, the *Foundations Chronological Bible Course for Women* is designed for you. This course covers the events of God's Word in the order in which they happened in history. Studying in this way helps to better understand the context and see what God reveals to us about Himself through the pages of His Word. This course is open to all women (high school through senior citizens) who desire to grow in their understanding of God's Word. Here are some comments from previous students:

"Prior to class, the Bible was a foreign language. Now it is an adventure!"

"This class has helped me know God more – It has given me a purpose for living. The Bible has come alive before my eyes! The pieces of the puzzle have come together!"

"I like the no-frills teaching – we use the class for that and not a lot of extra stuff...I like the helpful handouts and the integration [of the Old Testament into the New Testament.]"

"God has really blessed me through this class. I feel thirsty for His Word and learn so much. I have learned to love the Old Testament because of the foundation it reveals for all of God's Word."

"God's Word is taught from ... God's Word! Correctly and with passion. Fact not feeling."

"I was pleasantly surprised at how quickly the class moved without leaving anyone behind."

"Questions about the Bible that had bothered me in the past are now being answered."

"I feel like an empty vessel that is finally being filled."

This year's class, Level 1, will cover Genesis through Joshua. If you are interested, I encourage you to register and come for the first four weeks to discover if this class is for you. No long-term commitment is required. Come and see for yourself!
